

Farm to Buy or Lease in Virginia

Black Hollow Dairy, LLC is looking for an individual or individuals interested in a unique opportunity to buy or lease a turnkey operation with a guaranteed milk contract in southwest Virginia. We are a 740 acre, certified organic, seasonal grazing dairy currently milking 250 cows. Our cows are milked in a Dairymaster swing 20 milking parlor with automatic takeoffs. Our farm is pasture based with mild winters and moderate summers. This opportunity would be perfect for someone with experience in grazing and dairy cows.
