

SNAKE HILL FARM, L.P.

Job Description

Job title:	Livestock Manager
Location:	Chagrin Falls, Ohio. Kenston School District. We farm about 250 organic acres, including rented land.
Terms:	Full time or primary part time. Includes weekend work.
Salary/rate:	Salary depends on experience. On-site housing provided. Annual bonus based on financial results. "Simple IRA" savings plan, with 100% employer match up to 3% of salary.
About us:	We have been raising beef and growing produce organically since 1997. We also make maple syrup. The farm includes historic buildings listed on the National Register of Historic Places. More information at http://snakehillfarm.com/
About the role:	<p>This position has become available due to transition of our long-time livestock manager to overall farm management. We are seeking a farmer to work with him and, in due course, take on full responsibility for managing our herd of 45 Belted Galloway cattle.</p> <p>We sell females (and occasionally bulls) as breeding stock. Most males are sold by the pound at local farmers markets and our seasonal farm stand, and as freezer beef in halves and quarters.</p> <p>Principal duties include raising hay and other field crops, rotating cattle on pasture in summer, and feeding at the barns in winter. Experience should include handling and loading cattle, and driving and maintaining tractors and other equipment.</p>
Responsibilities:	<ul style="list-style-type: none">• Care for and feed cattle (and laying hens)• Manage manure• Build and repair fences• Transport equipment and crops to and from rented fields• Share responsibilities for maintenance of homesteads and drives (including snow plowing)
Extras:	<ul style="list-style-type: none">• Online marketing savvy• Familiarity with the National Organic Program• Experience with showing cattle
