

Did You Know We Offer Internships?

— Internship Details —

- An Internship can start any time of year and ranges from 240 to 480 total hours.
- Interns work for and are mentored by approved Master Dairy Graziers anywhere in the DGA network.
- Interns are paid a minimum of \$8 per hour and must be at least 18 years old (unless entering through Youth Apprenticeship in high school).
- Courses taken during Internship may be credited toward Apprenticeship related instruction hours (as well as college credit if entering through a university).
- Up to 480 on-farm work hours and 12 weeks time during Internship may be applied toward an Apprenticeship.
- A DGA Education Coordinator provides guidance and oversight during the Internship.

Need an internship to complete
a college course or want to
learn more before committing
to a full Apprenticeship?

Our approved training
farms are ready to
help you with your
future farming goals!
